## 2026 Karting Challenge Reserved Pit Spot & Vehicle Rules & Requirements

### 1. Pit Spot Set-Up & Access

**Set-Up Time:** Pit set-up is not permitted until **Thursday night** of race week (space availability dependent). Trackhouse Motorplex will remain open for regular operations on Wednesday and Thursday. If your reserved space is occupied, access cannot be guaranteed until **Friday morning** unless prior arrangements are made.

**Tow Vehicle Access:** Only vehicles towing karts/gear or trailers may enter for set-up. All other vehicles must remain in the designated field outside the gate. Once set up, tow vehicles must be removed unless you pit directly from your vehicle or it remains hitched to your trailer for the event.

**Camping:** Permitted **Thursday night through event conclusion** only.

**Failure to Comply:** Parking personal or non-towing vehicles in any pit area (including free pits) will result in **forfeiture of your pit spot for the 2026 season** and **suspension from the event** without refund.

### 2. Personal Items & Drop-Offs

Personal vehicles may enter briefly to unload equipment if:

- A credit card is left with the gate attendant, and
- You complete unloading within **15 minutes**.

After 15 minutes, your credit card will be charged **\$50 for every additional 5 minutes** the vehicle remains in the pits.

**Failure to Comply:** Disputes or noncompliance with the gate attendant will result in **loss of your reserved spot for the 2026 season** and **event suspension**, with no refund.

### 3. Reserved Pit Spot Terms

**Pit Spot Guarantee:** A reserved spot guarantees use from **Friday morning practice through event conclusion**. All vehicles and trailers must be quickly packed up and removed following our podium ceremonies.

**Trackhouse Motorplex Rights:** Empty reserved spots may be reassigned after **Friday morning practice (single rounds)** or **Friday afternoon practice (double headers)**.

**Subleasing:** Subleasing pit spots is **strictly prohibited**. Lending your spot to another participant requires prior approval and a temporary pass.

**Failure to Comply:** Violation of these terms will result in **forfeiture of your spot for the 2026 season and event suspension**, with no refund.

### 4. Reserved Pit Pass Sticker & Entry Requirements

- Each customer receives **one (1)** Reserved Pit Pass Sticker per season.
- Sticker must be affixed **inside the driver-side windshield**.
- Upon each entry, customers must stop and show both their **sticker and wristband** to the gate attendant.

**Additional Spots:** Purchasing multiple spots does **not** include additional stickers. Each pit must be registered and purchased in the name of its owner.

**Gate Entry:** Possessing a sticker does not guarantee gate entry during the event. Tow vehicles may re-enter **after final sessions begin** to pack up.

**No Sticker, No Entry:** Vehicles without the sticker **will not be admitted** to the paved pit area.

**Sticker Validity:** Stickers are **non-transferable** and must remain in place for the entire season. Removal or misuse will result in **forfeiture of your pit spot for the 2026 season and event suspension**, with no refund.

## 5. Pit Spot Usage Rules

**Purpose:** Pit spaces are for **working on karts only** — not for general vehicle parking.

**Tow Vehicle Size:** The vehicle must fit entirely within your reserved space while remaining attached to the trailer. Oversized tow vehicles must be parked outside the gate.

**Cleanliness:**

Trackhouse Motorplex provides:

- **Trash dumpsters** (rear of the gravel area)
- **Tire dumpster (free of charge)** and at the rear of the paved area)

Teams are responsible for keeping spaces clean. Improper disposal of trash or tires will result in a **\$500 cleaning fee per event**.

**Failure to Comply:** Noncompliance will result in **loss of pit spot for the 2026 season and event suspension**, with no refund.
